Estate Sale vs. Garage Sale

Blue Sky Estate Sales specializes in whole home estate/relocation sales.

Unlike a garage sale - where the homeowner is tasked with set up/pricing/sales/clean up, an estate sale brings an experienced team into your home where they organize all the contents into beautiful displays of like items, price everything based on current re-sale rates, market the sale across the region, handle all the transactions, and then clear the house of any unsold items.

Not only making it MUCH easier for the homeowner, but saves you valuable time and in almost all cases, brings in more income ! A win-win !

**PLEASE
NOTE**

Because of Mother's Day (Sun) this sale will have special Thurs-Sat dates as follows:

**THURSDAY, MAY 8 - 9am-1pm (Full price)
FRIDAY, MAY 9 - 9am-3pm (50% off)
SATURDAY, MAY 10 - 9am-2pm (75% off).**

****SALE HAS A SHARP 2PM SATURDAY CLOSE****

*Tips of the
Trade*

Can you bid on an item ??

YES ! Towards the end of Day ONE is usually the best time to 'bid' on an item. In person is best, but we do monitor our EstateSales.net account as well...so message us there.

As example, if you see something you like bid over (min \$10) what the discounted price will be the next day. Lock in that item before the doors open the next morning!
